

Attachment A:
Interoperability Suite

Attachment A: Full HIE: IHE XDS.b Interoperability Suite

Assumptions:

RFP Finalist / Winner provides IHE compliant HIE solution that includes an MPI, IHE XDS.b document exchange

GE Centricity provides an interoperability suite that offers HL7 v2.n ADT, IHE PIX / PDQ service, XDS.b Provide & Register, IHE Stored Query, IHE Retrieve, XCA

****Note:**

CHAN expects solution to manage diagnostic tests orders outbound; HL7 Results inbound to GE - Not documented above

CHAN expects solution to manage Consult requests outbound; Consult Note response inbound - Not documented above

Dotted lines from CHAN HIE to other HIEs represent secure connection to data exchange partners
